LA INTERFAZ

Visualización de los casos

The screenshot displays the Whistlelink web application interface. On the left is a sidebar with navigation options: Dashboard, Cases, Whistleblowing site, Statistics, User Management, and Settings. The main content area is titled 'Cases' and includes a sub-header with a note: 'Make sure to close a case as soon as it has been handled, to minimize risks with sensitive information.' Below this are filter tabs for 'All cases', 'New (2)', 'Open (2)', and 'Closed', with 'All cases' selected. A total of '21 cases' is indicated. The interface shows a grid of six case cards, each with a title, ID, date, status, description, risk level, assignee, and message count, along with a 'View case' button.
